

2007 PREQUALIFICATION CHECKLIST

Instructions: Place a **checkmark** next to all categories being requested for prequalification and next to all licenses, certification and registrations that you've included current copies of. All required licenses, certifications, and registrations must be current and copies must be included in your prequalification submittal in order to become prequalified in the requested categories. Please refer to the Category Descriptions and Requirements document for the required licenses, certifications, and registrations for each category.
